ELIGIBILITY REQUIREMENTS

The veteran must meet the following qualifications to establish eligibility of his/her dependents:

MILITARY SERVICE

An honorable discharge or other proof of honorable termination of service of the veteran or serviceman in the armed forces for a period of at least 90 days during a war-time period, or service of less than 90 days during a war-time period if the veteran or serviceman was discharged or released by reason of service-connected disability.

DISABILITY REQUIREMENT

The veteran must meet one of the following service-connected disability conditions established by the U.S. Department of Veterans Affairs (formerly the Veterans Administration) or the appropriate military service department:

- a) be a former prisoner of war (POW); or
- b) declared missing in action (MIA); or
- c) died as the result of a service-connected disability; or
- d) died while on active military service in the line of duty; or
- e) rated 20% or more due to his/her service-connected disability (ies).

STATE RESIDENCY REQUIREMENTS

Generally, the veteran must have been a permanent civilian resident of the State of Alabama for at least one year immediately prior to the initial entry into active federal military service. If the veteran has any subsequent period of military service in which a break in service occurred, the one-year civilian permanent residency must have been established prior to reentry into active federal military service.

Permanently service-connected veterans rated at 100% who do not meet the above residency requirements may qualify after establishing proof that they have been a

bona fide resident of this state for at least five years immediately prior to the filing of the application for this program or immediately prior to his/her death, if the veteran is deceased.

DEPENDENT

A dependent is defined under our program as a child, stepchild, spouse or un-remarried widow(er).

ENTITLEMENTS

As of Fall 2009, children and stepchildren of qualified veterans may receive five standard academic years (10 semesters) at any Alabama state-supported institution of higher learning or a prescribed course of study at any state-supported technical school without payment of any tuition, mandatory textbooks or instructional fees.

Additionally, eligible spouses and un-remarried widow (er)'s of a qualified veteran rated as 100% permanently and totally disabled may also receive five standard academic years (10 semesters) at any Alabama state-supported institution of higher learning or a prescribed course of study at any state-supported technical school without payment of any tuition, mandatory textbooks or instructional fees.

Exception: As of Fall 2009, a spouse or un-remarried widow (er) of a veteran rated 20% to 90% disabled is entitled to three standard academic years (6 semesters) without payment of tuition, mandatory textbooks, and instructional fees or completion of the duration of one prescribed technical course not to exceed 18 months.

Participants in the program prior to Fall 2009 are eligible for four standard academic years (8 semesters) or two standard academic years (4 semesters), respectively.

These entitlements may be applied at the undergraduate or graduate level.

NUMBER OF AWARDS

There is no restriction on the number of eligible dependents under the veteran; however, each dependent may only receive the benefit once, regardless of changes in their future dependency status.

AGE DEADLINE

The child or stepchild must initiate training under our program prior to his/her 26th birthday. In certain situations, a child or stepchild may be eligible for our program up to the age of 30.

UNAUTHORIZED COURSES

Our program does not pay for noncredit courses, remedial courses, placement testing, GED preparation, continuing educational courses, pre-technical courses, or state board examinations.

SUPPLIES

Our scholarship program does not pay for supplies such as pens, paper, notebooks, tools, art supplies, uniforms, computer software products, etc.

BOOK PURCHASES

Our program will pay for only those books that are mandatory for the courses in which the student is officially enrolled. We do not pay for the purchase of reference manuals, suggested reading material, study guides, or recommended workbooks.

ELIGIBILITY LIMITATIONS AND TERMINATION

Dependents are eligible to participate in our program only as long as they remain the legal dependent of the veteran from which they derive their eligibility. In the event of a divorce action, the former spouse or stepchild will be ineligible to participate, effective the date of the divorce. Any educational financial

obligations entered into after the divorce date will be the responsibility of the former spouse or stepchild.

Widow(er) forfeits all entitlements upon remarriage without further consideration of reinstatement.
